Huh?
What are you saying?
You must love sex as well right?
That's why you want to ask me questions regarding the other sex
So,
When did you do it?
I really don't think ....
I need to answer a question like that .....

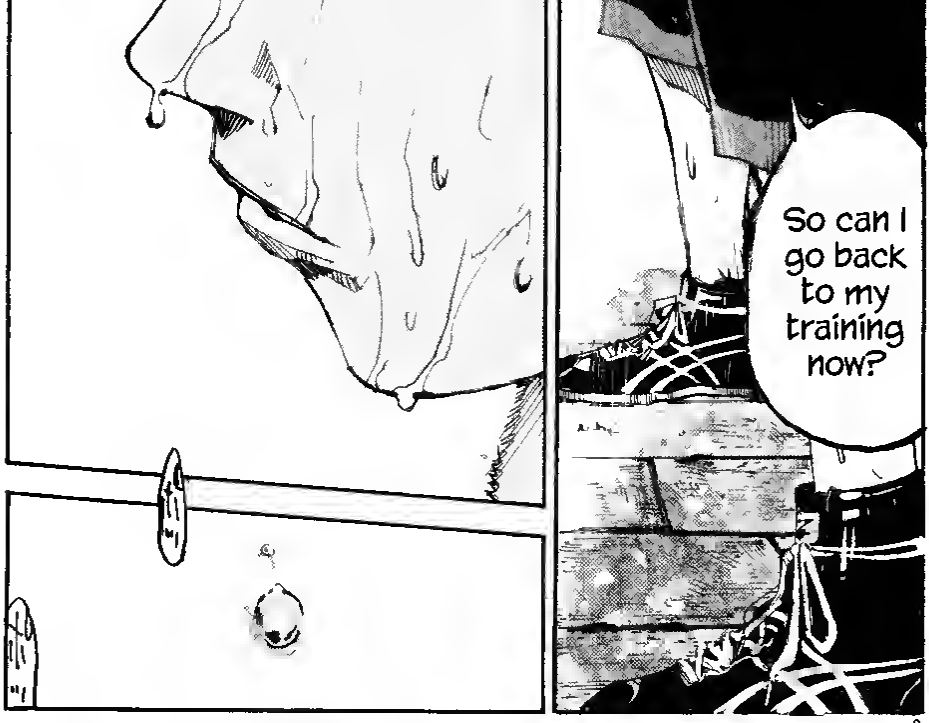
The smell of a woman that loves men...
Makes me want to vomit



So can I go back to my training now?

Kimura .....
Rie is pretty upset about it

Oh!
Show me the pictures you took
Oh?
He was acting like a pretty rude brat to her
These are them
Here

He has a nice uncaring face doesn't he?

Mind going and checking it out for a bit?
He's gonna have his pro test soon!

Oh, Is that so?

Ugh
If you don't like it we can always just sneak you in some-where
Don't you have the free time?
You're making me do it?
Eh?

I don't really know the whole story with that ....
But whats the deal with that family of murderers?
His debut test is next friday
I've got some time on that day!
Sounds good!
His father ...
Is serving time for murder at the minute
And last month his brother was arrested for murder as well
2 out of the 3 in the family are killers
Really?
That's something amazing

They say that when his brother was arrested he was with him at the time...

HOTSHOT

He's being suspected as well
People are wondering if he helped with the murder

It's really interesting huh?
A person like him becoming a pro boxer
It's a little exciting haha!

If he managed to kill his opponent in the ring then the family of killers would be complete

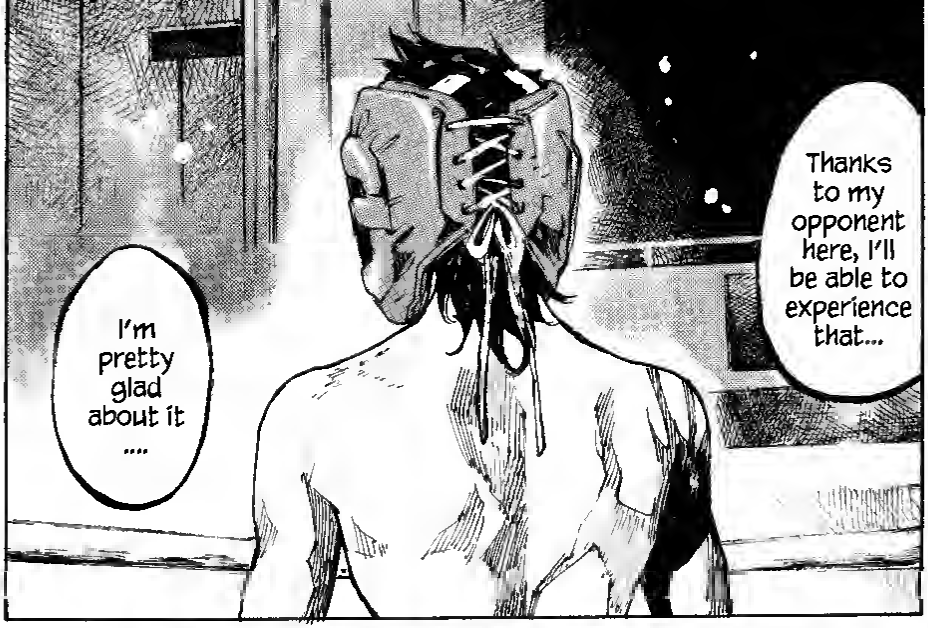
Personally... I wanted to come out as a newcomer
Well, You aren't wrong...

Aren't you a little too good to be fighting in the C rank Nishida?



Thanks to my opponent here, I'll be able to experience that...
I'm pretty glad about it ....
